# Welcome

**A**t Six Nations Polytechnic we have a vision to achieve international distinction for excellence in Indigenous education, Indigenous language revitalization and continuance of Indigenous knowledge. It is our hope to contribute to the well-being of all who share this land through respectful interaction with other knowledge systems which means our doors are open to everyone who wants to learn with us.

What makes SNP unlike any other post-secondary school in Canada is our ability to offer first-hand Indigenous knowledge, education and skills training to everyone who is committed to

learning. For example, SNP is the only place in Canada where one can attain a Bachelor of Arts in Ojéweh languages (Mohawk or Cayuga).

Through this viewbook, you will discover that SNP is committed to supporting the development of confident, knowledgeable and skilled members of society. With distinguished instructors and smaller class sizes, SNP students experience a culturally supportive, interactive learning environment designed to support success.

Whether you are coming to us from Six Nations, or other communities and cities, everyone at Six Nations Polytechnic – staff, students and instructors included – is expected to follow the values of Ga'nigohi:yo:/ Kanikoriio (Respect and the Good Mind). These values include fairness, sharing, honesty, kindness, integrity, responsibility, openness and more. If these values resonate with you and you are looking to learn in a truly unique environment designed for your success, I encourage you to choose Six Nations Polytechnic.

Nya:wəh

**REBECCA JAMIESON**  
President and CEO

# WHY CHOOSE SNP?

**S**ix Nations Polytechnic welcomes both Indigenous and non-Indigenous students who are interested in learning valuable academic skills, while gaining a more comprehensive understanding of Indigenous worldviews.

## **CHOOSE SNP IF:**

- You want a quality learning experience that leads to employment. Our program range is broad; from nursing, to social work, to pre-trades, Indigenous Studies, Cayuga and Mohawk languages, and more, there are

education opportunities for everyone at SNP.

- You want to experience a unique learning environment that is culturally supportive and designed to help students succeed. With smaller class sizes and personalized academic support, students are able to explore their interests in a variety of topics.
- You want to acquire your post-secondary education in the heart of the Grand River Territory.

As many have already discovered, improving your sense of self, affirming your cultural identity and understand-

ing Indigenous peoples provides a great foundation for you to succeed on your journey of learning.

Helping you along the way are the values of Ga'nigohi:yo/Kanikoriio, which are at the root of our organization. SNP is committed to upholding these values for the benefit of all who share this land. They include: fairness, sharing, honesty, kindness, confidentiality, consistency, integrity, responsibility, responsiveness, cooperation, openness, and trustworthiness.

## DEVOTED TO STUDENT SUCCESS

As a student here, you won't be alone; we're here to help you along your way to success. Our Student Success team is here to assist students with registration, program/OCAS applications, academic counselling, career planning, and bursary and scholarship funding applications.

The Student Success officers at SNP create collaborative community relationships through fun and informative campus activities like student lunches

and barbecues, seasonal events, giveaways and educational workshops where students have the opportunity to shake off the stresses of post-secondary life and simply enjoy the company of their peers. Moreover, the Student Success team at SNP goes beyond the classroom by offering community supports, such as access to a student food bank. Through the Student Success officers at SNP, our students have a voice and we ensure that every success, big or small, is celebrated.

# STUDENT LIFE AT SNP

Life at Six Nations Polytechnic isn't all about studying. We realize you need a safe place to live and a social life too. Below you will find various suggestions for entertainment, culture, shopping, recreation, housing and more!

## Living in Brantford

**T**he city of Brantford is located in Southern Ontario, with direct access to Hwy. 403 and within close proximity to other major highways, rail lines and three major Canadian ports of entry (Windsor, Toronto and Niagara Falls). Brantford is approximately a one-hour drive from Toronto and the Niagara region. Known as the telephone city, Brantford is a vibrant community with a population of about 100,000 residents, making it the ideal location to live, work, play and visit.

### SHOPPING

Brantford has a great balance of local artisan and specialty boutiques, big box stores and a large mall. Lynden Park Mall, offering over 95 top-name national retailers, provides everything you need in one convenient location. The Brantford Farmers Market has 49 indoor stalls open for business all year, with additional seasonal outdoor stalls.

### RECREATION

**Food and fun:** From great breakfasts to quick lunches and signature dinner dishes, Brantford's numerous casual dining establishments will satisfy all of your cravings. By heading into Brantford's downtown locale, you can travel the world of cuisine with delicious sushi, Mexican, Chinese or traditional Canadian classics.

**Sports:** Swim, golf, play, skate, run or simply relax. From sports to day camps and four-season recreational programming, Brantford offers the recreation and leisure you are looking for.

**Rise Centre:** Located directly across from SNP's Brantford Campus, the Rise Centre provides accelerated sport-specific dynamic training. RISE is a multifaceted facility; whether your goals are to strengthen and condition, increase speed and endurance or repair and rebuild through its advanced Sports Medicine Clinic, the Rise Centre has you covered.

**Parks and Trails:** Brantford prides itself on the quality parks and trails it provides for community enjoyment. Some parks provide a peaceful,

relaxing setting, while others offer the opportunity for sports, recreation and exercise. The city offers nearly 70 kilometres of nature trails that are perfect for running, cycling or hiking. With constant upgrades and additions, there's always something new to explore.

### HOUSING

Find a home away from home. Six Nations Polytechnic has partnered with Places 4 Students to offer housing in Brantford. Information on landlords can be found at [www.places4students.com](http://www.places4students.com). All student services on the website are free, and include rental property listing searches (with Google Map locations), student sublets, roommate profiles and more.

## Living in Six Nations

**S**ix Nations Polytechnic is located in the heart of Southern Ontario, situated on the picturesque Grand River. Approximately an hour and a half drive along from Toronto and the Niagara region, Six Nations is the most populous First Nation in Canada, with over 12,000 residents and over 26,000 members.

### ENTERTAINMENT AND CULTURE

Art and music are alive and well in Six Nations and can be found at the Woodland Cultural Centre (WCC). With annual programs like First Nations Art, which features artists from across Canada and the United States, and the Coffee House and Open Mic Night, the Woodland Cultural Centre is bustling with distinctly creative programs.

**Chiefswood National Historic Site:** Originally home to the famous poet, E. Pauline Johnson, the home-stead provides visitors with a unique opportunity to experience life in Six Nations during the mid-1800s as a place where different cultures met.

**Shopping:** Shopping local has never been easier in Six Nations. Iroqrafts is the place to purchase craft supplies, moccasins, books, Indigenous artwork and more. There's a grocery store just around the corner from Six Nations Polytechnic and in the village centre stands the Iroquois Plaza with restaurants, banks, and retail stores.

### RECREATION

**Food and Fun:** Whether you're looking to bite into a world-famous hamburger, hang out with friends at the local pizza joint, or curl up with a coffee at a cosy home-style café, Six Nations has it all. A wide variety of local options gives residents and students all the choices they need.

**Sports:** Six Nations is the self-proclaimed lacrosse capital of the world. In fact, thousands of years ago the Hodinohso:ni invented the game that turned into modern lacrosse. Lacrosse is sometimes referred to as The Creator's Game and is of important cultural significance in the community. Today, lacrosse games can be seen year-round in Six Nations.

Also, because it is centred on the Grand River, the Six Nations community is able to enjoy recreational water activities such as canoeing, fishing, paddle boarding, water skiing and more. The river also serves as a beautiful scenic backdrop and attracts hundreds of visitors every year.

**Parks and Trails:** The Six Nations community is home to largest single block of Carolinian forest in Canada, visible even from satellite images taken from outer space. With two beautiful parks and walking trails, there's no better place to witness the leaves change to yellow and red in the fall, watch the snow fall gracefully in winter – or better yet – have a picnic in the shade under a magnificent maple tree in the summer. Veteran's Park and Chiefswood Park are a constant source of activity, with different events happening year round.

### HOUSING

Students relocating to study at Six Nations Polytechnic are encouraged to stay in the community in order to truly experience life in Six Nations. However, we've also partnered with Places 4 Students ([www.places4students.com](http://www.places4students.com)) to offer housing in the City of Brantford, about 20 kilometres away.

# Bachelor of Arts in Ogwehoweh Languages

**CREDENTIAL:**

Bachelor of Arts Degree

**PROGRAM LENGTH:**

Three Years (90 units)

**LOCATION:** Six Nations Campus

**PROGRAM SUMMARY:**

The Bachelor of Arts in Ogwehoweh Languages is a three year Bachelor of Arts program in which Mohawk or Cayuga language and grammar are the core area of study.

**CAREER OPPORTUNITIES:**

- Filmmaker
- Illustrator
- Writer
- Principal
- Researcher
- Translator
- Teacher
- Instructor
- Librarian
- Curriculum writer
- Policy analyst
- Artist
- Education assistant
- Education resource developer
- Curriculum resource developer
- Website developer
- Language revitalization strategist

**ADMISSION REQUIREMENTS:**

- Ontario Secondary School Diploma (OSSD) or equivalent with a minimum average of 65%.
- Students who do not meet the above requirements may be offered admission as a probationary student with conditions. Conditions: Students must finish Language I and Grammar I with a 63-66% average in each course.
- Students may also register as mature students.

**TUITION/FEES\*:** \$7,446,00

*\*Based on 2016/2017 fee structure.  
Subject to change.*

# SNP University Consortium Year 1 Program (SNP UP)

**CREDENTIAL:** Bachelor of Arts Degree

**PROGRAM LENGTH:**

1 Year (remaining years to be completed at partner institution)

**LOCATION:** Six Nations Campus

**PROGRAM SUMMARY:** This first-year, community-based university program provides students with the opportunity to complete the first year of a Bachelor of Arts degree within the Six Nations community. The program facilitates obtaining five credited courses, on a full- or part-time basis, that are transferred into an undergraduate degree program offered within the partnered universities.

**EDUCATIONAL PATHWAYS:**

Students who meet the requirements of the Six Nations Polytechnic University Consortium Year 1 Program are eligible to transfer into second year studies at any of our partnering consortium universities, in order to achieve a Bachelor of Arts degree in their chosen field of study.

**In partnership with:**

- Brock University
- McMaster University
- University of Guelph
- University of Waterloo
- University of Western Ontario
- Wilfrid Laurier University

**ADMISSION REQUIREMENTS:**

- Ontario Secondary School Diploma (OSSD) or equivalent with acceptable grade levels
- Mature applicants considered on an individual basis.

**TUITION/FEES:** \$7,446.00

*\*Based on 2016/2017 fee structure. Subject to change.*

**PROGRAM OF STUDY:**

**FALL 2017:**

PS101  
Introduction to Psychology I  
ENGL 109  
Introduction to Academic Writing  
INDIG ST 1A03  
Introduction to Indigenous Studies  
SOC 1A06  
Introduction to Sociology  
(cont'd in Term 2)

**ONE OF THE FOLLOWING:**

ABST 1P01  
Introduction to Mohawk Language  
ABST 1P03  
Introduction to Cayuga Language

Professional Practice

Drawings and Schematics

Trade Skills - Manufacturing Processes

Trade Calculations - Mechanical Techniques

Trade Applications - Manufacturing Processes

CAD Concepts

Trade Applications - Manufacturing Processes

Quality Concepts

 **MOHAWK**  
COLLEGE

# Personal Support Worker

**CREDENTIAL:**

Ontario College Certificate

**PROGRAM LENGTH:** 1 Year

**LOCATION:**

Brantford Campus

**PROGRAM SUMMARY:**

This one-year partnership program with Mohawk College prepares students for careers as personal support workers. Combining theoretical knowledge with practical experience obtained during field placements, students develop a broad range of abilities that reflect the sensitivity and respect required to work in this caring field. Field placements are arranged throughout Ontario and require access to the transportation required to complete the placement portion of the program.

**CAREER PATHS:**

- Hospitals
- Home Care Agencies and Long Term Care Homes
- Nursing and Residential Care Facilities.

**PROGRAM START DATE:**

January 2018 and January 2019

**ADMISSION REQUIREMENTS:**

- OSSD or equivalent (Mohawk Academic Upgrading, GED) including:
- Grade 12 English, C or U or equivalent
- Grade 10 Mathematics, D (Academic) or P (Applied) level
- Contact Admissions for options that are available for mature applicants.

**PRE-CLINICAL REQUIREMENTS:**

All accepted applicants are required to complete certain requirements prior to clinical placement and are responsible for the associated costs. Details about pre-placement requirements will be emailed to you once you accept your offer of admission. Registered students who have been convicted of an offence under the criminal code for which they have not been pardoned may be denied the opportunity to enter or continue in a clinical placement while in the program.

**Tuition & Fees:** \$4,338.19

# Practical Nursing with Aboriginal Communities

**CREDENTIAL:**

Ontario College Diploma

**PROGRAM LENGTH:** 2 Years

**LOCATION:**

Brantford Campus

**PROGRAM SUMMARY:**

Practical Nursing is an Ontario College Diploma program offered at Six Nations Polytechnic Brantford Campus and Mohawk's Institute for Applied Health Sciences which is located at McMaster University. The Practical Nursing program runs continuously for 16 calendar months over four semesters and is offered every other year.

Experience collaborative learning - the methodology used where you are responsible for your own learning and for contributing to the learning of your peers. Faculty members provide structure and act as facilitators

through consultation, assisting with group collaborative activities and providing feedback.

Clinical placements are an integral part of this program and may occur at locations that are not accessible by public transit. As such, students shall be expected to either have access to a car or the ability to supply their own transportation when attending clinical placement activity.

**EDUCATION PATHWAYS:**

After successful completion of the Practical Nursing diploma program, graduates are eligible to write the Canadian Registered Practical Nurse Examination (CRPNE) which is administered by the College of Nurses of Ontario (CNO).

Nursing careers may involve working at Hospitals, Physicians' Offices,

Retirement Homes, Community Agencies, Nursing Homes, Long Term Care Homes and Business and Industry.

**PROGRAM START DATE:**

September 2018

**ADMISSION REQUIREMENTS:**

- OSSD or equivalent (Mohawk Academic Upgrading, GED) including:
  - Grade 12 English, C or U or equivalent
  - Grade 11 or 12 Mathematics, C, M or U level (M or U recommended)
  - 2 Grade 11 or 12 Sciences, C or U level
- It is recommended that all applicants have a good working knowledge of computers including Microsoft Office applications

*Continued*

- An English language proficiency test may be required as it is essential that applicants demonstrate the English language writing and speaking skills to successfully cope with academic and clinical placement components of the program
- In addition to the successful completion of all admission requirements, all applicants to this program must complete a mandatory standardized Health Occupation Aptitude Examination (HOAE) as part of the selection process. There is a fee of \$50.00 for this test
- Effective January 2005, the College of Nurses of Ontario (CNO) requires all applicants for registration or reinstatement from within Canada to provide a recent Police Criminal Record Check (PCRC) as part of the registration process
- Offers of admission to this highly competitive program will be made based on a combination of HOAE test results (50%) and ranking of academic history (50%)
- Contact Admissions for options that are available for mature applicants.

### PRE-CLINICAL REQUIREMENTS:

All accepted applicants are required to complete certain requirements prior to clinical placement and are responsible for the associated costs. Details about pre-placement requirements will be emailed to you once you accept your offer of admission.

Registered students who have been convicted of an offence under the criminal code for which they have not been pardoned may be denied the opportunity to enter or continue in a clinical placement while in the program.

# Production Framer

Includes basic training in Framing/Building Techniques

## **CREDENTIAL:**

Ontario College Certificate

**PROGRAM LENGTH:** 1 year

## **LOCATION:**

Brantford Campus

## **PROGRAM SUMMARY:**

The Construction Sector is one of the largest industries in Canada and is experiencing growth in many specialty areas. Construction (Production Framing) is particularly in high demand due to what is expected to be long term growth in the new housing market in South Western Ontario.

This program will introduce you to the basic skills required for the Carpentry Trade. You will also learn the fundamentals of team dynamics while integrating workplace management and troubleshooting techniques. Promotion of Health and Safety awareness is also a strong focus of the program.

## **CAREER OPPORTUNITIES:**

This program will prepare you for a promising career in production framing. You will gain essential skills and knowledge in a broad based curriculum, including:

- Preparation to pursue careers related to the competitive world of production framing

## **ADMISSION REQUIREMENTS:**

- OSSD or equivalent (Mohawk College Academic Upgrading, GED) including:
  - Grade 11 English, E, C or U
  - Grade 10 Mathematics, L, D or P
- \*Options are available for mature applicants.

## **PROGRAM START DATE:**

January 2018 and September 2018

Leisure Education Recreation Therapy  
Placement - Recreation Therapy (280 hrs)  
Practicum - Recreation Therapy (100 hrs)

# Community & Justice Services

**CREDENTIAL:**

2 Year Diploma Program

**PROGRAM LENGTH:** 2 Years

**LOCATION:** Brantford Campus

**PROGRAM SUMMARY:**

This program teaches students intervention, protection and rehabilitation techniques to inspire change in at risk youth and incarcerated adult offenders. The program focus on both community and the institutional sectors of the criminal justice system, working toward rehabilitation of those in conflict with the law. Students will train in the legal aspects of crime and behaviour, security measures and techniques and interviewing and intervention skills for young offenders, adult offenders and victims. Intervening with clients, students will address and access problems to constructively manage behavioural change. Fitness and emergency management skills will be developed in a licensed testing facility, on campus, to corrections industry standards. Students will develop case management, counselling, assessment and report writing skills that build positive client/worker interactions and relationships.

**INDUSTRIES OF EMPLOYMENT INCLUDE:**

- Ministry of Children and Youth Services
- Ministry of Community Safety and Correctional Services
- Attendance Centres, Victim Support Agencies and Residential Facilities for Adults and Youth
- School Boards
- Correctional Facilities

**CAREER OPPORTUNITIES:**

- Supervisors in Correctional Facilities
- First Line Respond Officers in prison/jail
- Work with offenders and other high-risk client groups toward rehabilitation post incarceration
- Work with local school boards, youth workers, mentors and peer reconciliation aides and agencies serving victims

**PROGRAM START DATE:**

September 2018 and January 2019

**ADMISSION REQUIREMENTS:**

OSSD or equivalent (Mohawk Academic Upgrading, GED) including:

- Grade 12 English, C or U or equivalent
- Law and /or Community and Justice Services courses recommended
- Additional selection criteria may apply
- A recent Police Criminal Record Check (PCRC) (Pardons are possible, seek legal counsel) and additional selection criteria may be used to assess applicants in this program
- Applicants should be advised that employers require a Police Criminal Record Check (PCRC)

Assessment, Counselling and Supports  
Case Management  
Intervention Techniques  
Restraint and Safety Training  
Employment Strategies

## General Arts and Science

**CREDENTIAL:** 1 year College Transfer Credit - Certificate

**PROGRAM SUMMARY:**

The General Arts and Science program is a great choice if you are missing admission requirements for a college program, looking for a pathway to college or just hoping to upgrade your academic skills.

**COLLEGE TRANSFER PATHWAY**

This ONE YEAR General Arts & Science certificate provides students with the opportunity to fulfill admission requirements for direct transfer into additional college programs.

Graduates of the General Arts and Science certificate program are pre-

pared for continuing their education towards careers in a wide variety of industries. Students have gone on to become healthcare workers, engineers, entrepreneurs, television broadcasters, researchers, lawyers and even teaching professors in this program.

**PROGRAM START DATE:**  
September 2018

## Business – General

**CREDENTIAL:**

2 Year Diploma Program

**PROGRAM SUMMARY:**

This program provides a solid foundation for student success and equips the student with the necessary professional skills to enter the business world. Students will receive a thorough educa-

tion in business fundamentals and will also take additional courses focused on more specific areas of business, to capitalize on the evolving opportunities found in today's business world.

**CAREER OPPORTUNITIES:**

- Business analysts
- Retail trade managers
- Customer service representative
- Front line production supervisors
- Marketing specialists
- Enterprise administrators
- Corporate sales representatives
- Entrepreneurial pursuits

**PROGRAM START DATE:**  
September 2018

# Additional Qualifications Courses

Additional Qualification (AQ) Courses are professional learning opportunities for educators who are registered with the Ontario College of Teachers. Six Nations Polytechnic is an approved AQ provider.

## ENVIRONMENTAL EDUCATION

This course is designed to assist educators seeking to enrich professional practice, and extend knowledge, dispositions and skills in the development and delivery of environmental educational programs.

### Schedule/Division:

Schedule C - One-Session AQ

## MATHEMATICS, PRIMARY AND JUNIOR, PART 1

The Math P/J Part 1 Additional Qualification (AQ) course at Six Nations Polytechnic will have an emphasis on how learners in Primary and Junior settings come to understand and engage with Mathematics in regards to the outcomes described in the Ontario Curriculum. The unique focus will be on Indigenous learners and ways of knowing Mathematics with a cultural lens, in conjunction and/or independent of a provincial curriculum model.

### Schedule/Division:

Schedule D - Three-Session AQ

## MATHEMATICS, PRIMARY AND JUNIOR, PART 2

The Math P/J Part 2 Additional Qualification (AQ) course at Six Nations Polytechnic will have an emphasis on how learners in Primary and Junior settings come to understand and engage with Mathematics in regards to the outcomes described in the Ontario Curriculum. The unique focus will be on Indigenous learners and ways of knowing Mathematics with a cultural lens, in conjunction

with and/or independent of a provincial curriculum model.

### Schedule/Division:

Schedule D - Three-Session AQ

## MATHEMATICS, PRIMARY AND JUNIOR, SPECIALIST

The Mathematics Primary and Junior, Specialist course is designed to critically and collaboratively cultivate professional efficacy, emancipatory leadership practices and advance the scholarship of teaching by fostering cultures of critical reflection and inquiry.

### Schedule/Division:

Schedule D - Three-Session AQ

## PRINCIPAL'S QUALIFICATION PROGRAM, PART 1

Part I is an introductory program that includes coursework and the development of a practicum proposal. It is intended for any teacher interested in becoming a school principal and serves as an introduction to the fundamental aspects of leading and managing a school.

### Schedule/Division:

Principal's Qualifications

## SCIENCE AND TECHNOLOGY, PRIMARY AND JUNIOR, PART 1

The Science and Technology Primary and Junior Part 1 course is designed to enhance professional practise and extend the knowledge and skills of course participants in the delivery of Primary and Junior science classes.

### Schedule/Division:

Schedule D - Three-Session AQ

## TEACHING CAYUGA

The Additional Qualifications course Teaching Cayuga provides candidates with practical experience in developing teaching strategies in Indigenous conversational and written language education.

### Schedule/Division:

Schedule C - One-Session AQ

## TEACHING FIRST NATIONS, MÉTIS AND INUIT CHILDREN

This AQ course provides candidates with an overview of First Nation, Metis and Inuit perspectives. The course has been organized in themes and lessons that will guide candidates to begin to understand and validate Indigenous ways of knowing that may be operating in a western framework.

### Schedule/Division:

Schedule C - One-Session AQ

## TEACHING MOHAWK

The Additional Qualifications course Teaching Mohawk provides candidates with practical experience in developing teaching strategies in Indigenous conversational and written language education.

### Schedule/Division:

Schedule C - One-Session AQ

# SNP STEAM Academy

**T**he Six Nations Polytechnic STEAM Academy is the first STEAM (Science, Technology, Engineering, Arts and Mathematics) focused school in Canada that will build in both the regular Ontario Secondary School Diploma, as well as a two-year “Computer Software Engineering Technician” college diploma. Although it is a private school, there is no tuition; At SNP, we want to ensure that our program is open and accessible to everyone regardless of their cultural or social background.

Throughout their time with us, students will be exposed to an incredible wealth of technology and amazing experiences including mentorships from industry leaders and chances to go directly to work with a range of companies straight out of school. The skills learned throughout the duration of our program will be applicable not

only in the classroom, but also in their daily and future professional lives.

We give our students access to industry leading and cutting edge technology such as virtual reality, media equipped drones, individual laptops for each student and advanced networking technology in order to ensure that they are not only aware of these technologies, but to also ensure that they can become the next generation of creators of technology like this, as well as what new and exciting technologies will come next.

We do not expect our students to come to the school already being experts in these topics; we will teach and help them to become the experts who will shape the world of tomorrow.

The STEAM Academy will be foundationally built on authentic Indigenous values that are relevant and beneficial to all people, regardless of their individual backgrounds. We will show respect for one another and acknowledge the place that Indigenous knowledge and language has in our modern world.

**Note:** *Now accepting applications for Fall 2018 for Grade 9 and 10 students. Please note that space in our Grade 10, fall 2018 program is extremely limited as these students will be joining our existing cohort; preferential registration will be given to those who have siblings already enrolled at the STEAM Academy to make family organization simpler.*

**SIX NATIONS**  
POLYTECHNIC

Academy

# Achievement Centre

**T**he Six Nations Achievement Centre is a community-based agency that has provided service to the community of Six Nations for over 27 years. The Centre provides free instruction in basic math, English, computer and other digital technology skills to adults who need to increase their independence or academic skills for entry into higher levels of education and/or to obtain employment.

## WHAT IS OFFERED?

- One-on-one tutoring
- Online learning
- Crafting for employment
- Six Week “Pre GED” Connection Program
- Career/College Prep programming
- Upgrading for Parents with school aged children

## AT THE ACHIEVEMENT CENTRE YOU’LL FIND:

- One-on-one or small group learning
- A library of native learning materials
- Friendly, experienced staff
- Free online learning options
- Access to computers and the internet

We limit our class size to 5-10 people at any one time so you get the individual attention you need.

To find out more about the Achievement Centre and how we can help you with your learning goals, contact us at 519-445-0023 or text 226-240-2554.

# Deyohahá:ge:

## THE INDIGENOUS KNOWLEDGE CENTRE

**D**eyohahá:ge:, or the Indigenous Knowledge Centre at Six Nations Polytechnic, is more than a comprehensive catalogued repository of Hodinohso:ni materials; it also provides students with a way to apply the knowledge they have learned in class as they find their own path and leave their own mark on the world. In this way, Indigenous knowledge is “alive” because it is about being well, living well and having the kind of relationships that sustains life and makes it all worthwhile.

Our key vision was developed by educators and elders from our community; some of whom have since passed on. They spoke of the need to connect the past and the future, as well

as bridge the gap between Indigenous and western knowledge. We envision these goals as taking us along Two Roads, or parallel paths of thinking, both of which offer us tools, strategies and perspectives upon which we can build a future.

Deyohahá:ge: is dedicated to bringing together two streams of consciousness – the ancestral Indigenous knowledge with the best of modern academic knowledge – in order to advance the overall well-being of all peoples. To accomplish this vision, we have two main goals:

- 1) Preservation and Nurturing of Indigenous Knowledge and Wisdom
- 2) Nurturing and fostering Community-based research that incorporates Indigenous Knowledge in all fields

Through this effort, Deyohahá:ge: will also help to address the knowledge gap that exists in society with respect to the history of the country, the experience of Indigenous peoples, the impacts of colonization and trauma, and the outstanding obligations that remain to be addressed (access to lands, resources, cultural and language revitalization, etc.).

Deyohahá:ge: will work towards becoming the key resource for Indigenous Knowledge to inform, enhance and create sustainable and enduring cultural content in all programs and services directly through its Hodinohso:ni collections archives.

# Admission

## **TO APPLY TO SIX NATIONS POLYTECHNIC UNIVERSITY PROGRAMS:**

Download an admissions package from our website, [www.snpolytechnic.com](http://www.snpolytechnic.com), request an admissions package by e-mailing [studentsuccess@snpolytechnic.com](mailto:studentsuccess@snpolytechnic.com), or calling 519-445-0023.

Schedule a campus tour and pick up an admission package in person at Six Nations Polytechnic, 2160 Fourth Line, Ohsweken, ON, by calling 519-445-0023.

Submit your completed admission package and signed forms along with:

- All original high school, college and university transcripts

# Frequently-Asked Questions

## **How will I know Six Nations Polytechnic has received my application?**

Six Nations Polytechnic will send an Acknowledgement Letter via regular mail to you after your application has been received. The Acknowledgement Letter may include specific program information that you will need regarding special admission requirements and/or pre-admission testing.

## **Are accommodations provided for students with disabilities?**

Students with documented disabilities requiring academic accommodations must contact the Student Success Officer (SSO) to find out what SNP can offer, however there are very limited funds to provide such. Contact the SSO for more details at 519-445-0023, ext. 234.

## **Do I need to provide my transcript(s)?**

Yes. To ensure a speedy application process, you must ensure all required documents have been received by the Admissions Office within four weeks of submitting your application, or no later than August 14, 2018, for post-secondary programs. Six Nations Polytechnic requires that official transcripts are submitted. Photocopied, faxed or electronically transmitted copies are only accepted if coming directly from the issuing institute.

## **Can I apply as a Mature Student?**

Mature Students are considered on an individual basis but must still meet the required pre-requisite courses. Testing may be required.

**College programs:** A Mature Student is someone who is age 19 or older without an Ontario Secondary School Diploma (OSSD) or equivalent, as of the first day of classes. Mature Student applicants must meet all specific entrance requirements of the program to which they are applying. If you possess an OSSD, regardless of your age or number of years out of high school, Mature Student status does not apply.

**University programs:** A Mature Student has not attended secondary school or college on a full-time basis for at least two years; and has not previously attended university [subject to change].

## **When will I know if I have been admitted?**

Applications with all supporting documents are screened and a letter of acceptance or denial is mailed to you after screening. You will have four weeks to accept our offer of admission. If the offer of admission has not been accepted by the deadline, this will be considered a rejection of the offer of admission.

Offers of acceptance are conditional for applicants who may be in the process of completing admission requirements. An offer of acceptance will be revoked if proof of successful completion of the required courses or any other admission requirements are not met.

## **How do I accept my offer of admission?**

If you wish to accept the offer of admission, please sign and date your letter of acceptance and return the original to Six Nations Polytechnic. Please note that you will need a copy of your signed letter when applying for funding at such agencies as Grand River Post-Secondary Education Office, New Credit First Nations Education, Southern First Nation Secretariat or for bursaries and scholarships.

### **What if I have been denied admission?**

Candidates may be denied admission when the program and/or waiting list is filled, or when all of the admission requirements have not been met. Applicants may request an admission review. A written request must be received within 15 days of the admission decision. You may contact Program Manager/Registrar, at 519-445-0023, ext.221, or e-mail [programmanager@snpolytechnic.com](mailto:programmanager@snpolytechnic.com).

### **What if my program has a health requirement?**

Some programs require students to meet certain medical and health criteria, such as a completed Communicable Disease Screening Form. Information will be available at the time of registration. Students must submit completed forms by the deadline indicated and meet all medical criteria. These are necessary for clinical/field placements. Failure to meet criteria could result in expulsion from the program.

### **How do I find out about credit transfer (exemption) opportunities?**

Colleges in Ontario and Canada generally offer year-for-year credit transfers from similar programs. To learn if you are eligible for exemptions or are able to transfer credits for any of our programs, please contact Six Nations

Polytechnic at 519-445-0023. Please note: courses taken more than five years ago generally are not given credit for exemption.

### **What is Prior Learning Assessment and Recognition (PLAR)?**

Six Nations Polytechnic believes that many people acquire college-level learning and skills through various situations such as prior work experience, community work, non-credit courses, self-directed study, travel and military service. Candidates who can show that they have achieved the learning outcomes of a specific course may be granted credits based on an assessment of their prior learning. There is a fee for this that is set by the accrediting institute. Contact Six Nations Polytechnic at 519-445-0023 for more information.
