# Welcome to SNP

On behalf of Six Nations Polytechnic, I welcome you to join us in preparing for a stronger, healthier future for all who share this land.

Through this viewbook, you will discover that SNP is committed to supporting the development of confident, knowledgeable and skilled members of society. With distinguished instructors and smaller class sizes, SNP students experience a culturally supportive, interactive learning environment designed to support success.

At SNP, you will find a range of programs to choose from. What makes SNP unlike any other post-secondary school in Canada is our ability to offer first-hand Indigenous knowledge, education and skills training to everyone who is committed to learning. For example, SNP is the only place in Canada where one can attain a Bachelor of Arts in Ojwehoweh languages (Mohawk or Cayuga).

Whether you are coming to us from Six Nations, or other communities and cities, everyone at Six Nations Polytechnic – staff, students and instructors included – is expected to follow the values of Ga'nigohi:yo/Kanikoriio (Respect and the Good Mind). These values include fairness, sharing, honesty, kindness, integrity, responsibility, openness and more. If these values resonate with you and you are looking to learn in a truly unique environment designed for your success, I encourage you to choose Six Nations Polytechnic.

Nya:wəh

**REBECCA JAMIESON**  
President and CEO

# TOP 10 REASONS TO CHOOSE SNP

## 1. STUDENT HAPPINESS

In 2018 Six Nations Polytechnic was voted number one for Happiest Students by CampusRankings.com because we're devoted to student success. The Student Success Officers at SNP create collaborative community relationships through fun and informative campus activities like student lunches and barbecues, seasonal events, giveaways and educational workshops. Through the Student Success Officers at SNP, our students have a voice, and we ensure that every success, big or small, is celebrated.

## 2. INDIGENOUS PERSPECTIVE

At SNP, we know that what really sets us apart are our roots in Hodinohso:ni (Six Nations) knowledge, culture, language and tradition. The values of Ga'nigohi:yo/Kanikoriio (a good mind), are at the foundation of our organization. They include: fairness, sharing, honesty, kindness, confidentiality, consistency, integrity, responsibility, responsiveness, cooperation, openness, and trustworthiness and all faculty, students and staff are expected to uphold these values.

## 3. OPEN AND INCLUSIVE

As an Indigenous institution, there is a common misconception that students must be Indigenous to study at Six Nations Polytechnic, but we welcome students of all backgrounds to come and learn with us. In fact, it's our diversity that makes us stronger and helps to bridge gaps in understanding between cultures. Reconciliation is happening right now, in our classrooms where students learn valuable academic skills while gaining a more comprehensive understanding of Indigenous worldviews.

## 4. LOCATION

Both our Six Nations and Brantford Campuses are conveniently located in the Golden Horseshoe region with easy access to Toronto, London, Hamilton and Niagara Falls.

## 5. PARTNERSHIPS

SNP partners with Ontario colleges and universities to ensure that students have access to the best instructors, resources, tools, and teaching methods available. Partnerships have been and will continue to be a large part of our success and we are delighted to have Mohawk College, Niagara College,

Canadore College and Fanshawe College as partners for college programs, as well as Brock University, McMaster University, Wilfrid Laurier University, Western University, University of Guelph and University of Waterloo as our university partners.

## 6. PROGRAM SELECTION

You want a quality learning experience that leads to employment. Our program range is broad; from nursing, to social work, to trades, Indigenous Studies, Cayuga and Mohawk languages, and more, there are education opportunities for everyone at SNP.

## 7. SMALL CLASS SIZES

On average, class sizes at SNP rarely exceed more than 30 people in one cohort, meaning easier access to instructors for questions, and a friendly, more familial learning experience with fellow classmates.

## 8. ENVIRONMENTALLY FRIENDLY FACILITIES

Our Brantford Campus recently underwent \$5 million worth of upgrades to make it one of the most energy efficient campuses in Ontario, with a solar rooftop, energy efficient

lighting throughout and more. Both campuses strive to be environmentally responsible, sticking very closely to our Hodinohso:ni roots as caretakers of Mother Earth.

### 9. CLOSE TO HOME

Many of our students come to us from within a 40-kilometre radius because they know that with SNP ***you don't have to go far, to go far.*** Students often work full time while attending

classes or have families and need a school nearby where they can obtain a quality education.

### 10. FREE PARKING

Because so many of our students are local and commute, we provide free parking at both of our campuses as well as a shuttle service between campuses for even more convenience!

# STUDENT LIFE AT SNP

**L**ife at Six Nations Polytechnic isn't all about studying. We realize you need a safe place to live and a social life too.

Below you will find various suggestions for entertainment, culture, shopping, recreation, housing and more!

## Living in Six Nations

Six Nations Polytechnic is located in the heart of Southern Ontario, situated on the picturesque Grand River.

### RECREATION

**Food and Fun:** Whether you're looking to bite into a world-famous hamburger, hang out with friends at the local pizza joint, or curl up with a coffee at a cosy home-style café, Six Nations has it all. A wide variety of local options gives residents and students all the choices they need.

**Sports:** Six Nations is the self-proclaimed lacrosse capital of the world. In fact, thousands of years ago the Hodinohso:ni invented the game that turned into modern lacrosse. Lacrosse is sometimes referred to as The Creator's Game and is of important cultural significance in the community. Today, lacrosse games can be seen year-round in Six Nations.

Also, because it is centred on the Grand River, the Six Nations community is able to enjoy recreational water activities such as canoeing, fishing, paddle boarding, water skiing and more. The river also serves as a beautiful scenic backdrop and attracts hundreds of visitors every year.

**Parks and Trails:** The Six Nations community is home to the largest single block of Carolinian forest in

Canada, visible even from satellite images taken from outer space. With two beautiful parks and walking trails, there's no better place to witness the leaves change to yellow and red in the fall, watch the snow fall gracefully in winter – or better yet – have a picnic in the shade under a magnificent maple tree in the summer. Veteran's Park and Chiefswood Park are a constant source of activity, with different events happening year-round.

### HOUSING

We've partnered with Places 4 Students ([www.places4students.com](http://www.places4students.com)) to offer housing in the City of Brantford, about 20 kilometres away. Shuttle services between campuses are available.

## Living in Brantford

The city of Brantford is located in Southern Ontario, with direct access to Hwy. 403 and within close proximity to other major highways, rail lines and three major Canadian ports of entry (Windsor, Toronto and Niagara Falls). Known as the telephone city, Brantford is a vibrant community with a population of about 100,000 residents, making it the ideal location to live, work, play and visit.

### SHOPPING

Brantford has a great balance of local artisan and specialty boutiques, big box stores and a large mall. Lynden Park Mall, offering over 95 top-name national retailers, provides everything you need in one convenient location. The Brantford Farmers Market has 49 indoor stalls open for business all year, with additional seasonal outdoor stalls.

### RECREATION

**Food and fun:** From great breakfasts to quick lunches and signature dinner dishes, Brantford's numerous casual dining establishments will satisfy all of your cravings. By heading into Brantford's downtown locale, you can travel the world of cuisine with delicious sushi, Mexican, Chinese, or traditional Canadian classics.

**Sports:** Swim, golf, play, skate, run, or simply relax. From sports to day camps and four-season recreational programming, Brantford offers the recreation and leisure you are looking for.

**RISE Centre:** Located directly across from SNP's Brantford Campus, the RISE Centre provides accelerated sport-specific dynamic training. RISE is a multifaceted facility; whether your goals are to strengthen and condition, increase speed and endurance, or

repair and rebuild through its advanced Sports Medicine Clinic, the RISE Centre has you covered.

**Parks and Trails:** Brantford prides itself on the quality parks and trails it provides for community enjoyment. Some parks provide a peaceful, relaxing setting, while others offer the opportunity for sports, recreation and exercise. The city offers nearly 70 kilometres of nature trails that are perfect for running, cycling or hiking. With constant upgrades and additions, there's always something new to explore.

### HOUSING

Find a home away from home. Six Nations Polytechnic has partnered with Places 4 Students to offer housing in Brantford. Information on landlords can be found at [www.places4students.com](http://www.places4students.com).

## BACHELOR OF ARTS IN OGWEHOWEH LANGUAGES (SNP PROGRAM)

**Credential:** Bachelor of Arts Degree

**Program Length:** Three Years (90 units)

**Program Summary:** The Bachelor of Arts in Ogwehoweh Languages is a three-year Bachelor of Arts program in which Mohawk or Cayuga language and grammar are the core areas of study.

### Career Opportunities:

- Filmmaker
- Illustrator
- Writer
- Principal
- Researcher
- Translator
- Teacher
- Instructor
- Librarian
- Curriculum writer
- Policy analyst
- Artist
- Education assistant
- Education resource developer
- Curriculum resource developer
- Website developer
- Language revitalization strategist

### Admission Requirements:

- Admission is on the basis of OSSD transcript or equivalent.
- A 65% admission average is required on applicant's best six Grade 12 University or Mixed (i.e. 12U or 12M) courses.

- Students in good standing will also be considered for admission from a college, university or CEGEP program.
- Applicants who do not meet requirements as stated above may also be considered on an individual basis for admission as a Mature Student to access limited enrollment.

**Tuition/Fees:** \$ 7584.00\*

*\*Based on 2018/2019 fee structure.  
Subject to change.*

# MASTER OF PROFESSIONAL EDUCATION

(PROGRAM PARTNER: WESTERN UNIVERSITY)

**Credential:** Master's Degree

**Program Length:** Two Years

**Campus:** Six Nations

**Program Summary:** The Master of Professional Education Program in the field of Aboriginal Educational Leadership is a course-based graduate program leading to an MPed degree. Students proceed through the program together as a cohort and complete seven designated courses and a capstone project over six terms (two years). Student choice is encouraged through a process that allows individual and groups to tailor course assignments, case studies and projects to meet their learning and professional goals.

**Description:** In addition to offering the core components of the educational leadership stream, the Leadership in Aboriginal Education route considers Indigenous ways of leading, knowing, teaching and learning. A specific emphasis on organizational and pedagogical strategies to improve Aboriginal student success is included as part of a broader consideration of the social, political and economic context of education.

Graduates of the program will have an understanding of the historical and contemporary conditions of Aboriginal education in Canada, a comprehensive knowledge of current scholarship on Indigenous knowledge and research

methodologies, and a thorough grounding in theories and practices of leadership.

This master's program prepares educators for a range of leadership roles in provincially funded or First Nations schools and school systems, colleges and other adult learning settings, and related agencies and organizations.

### Admission Requirements:

- A four-year degree (20 full courses or equivalent) from an accredited university.
- Minimum "B" standing (70%) or equivalent in the final two years of study.

### Recommended:

- Minimum one-year full-time teaching experience, or experience within the field of education.

### Notes & Exceptions:

- Bachelor of Education and Additional Qualification course grades are not used in calculating admission averages.
- Applicants with 3-year degrees will be considered on a case-by-case basis if seats are available in programs. Successful experience as an educator in a professional setting may be considered in the selection process.

- Probationary Status: If an applicant does not meet all of the minimum admission requirements (e.g. average below 70% and/or has only a 3-year degree plus B.Ed.) the applicant may be offered admission as a Probationary Student with Conditions.
- Conditions: Applicants will be required to maintain a 75% average in each of these courses to clear conditions.
- The successful completion of an MPed degree does not lead to certification with the Ontario College of Teachers (OCT).

# SIX NATIONS POLYTECHNIC UNIVERSITY CONSORTIUM YEAR 1 PROGRAM

(SNP PROGRAM)

**Credential:** Year 1 University Transfer

**Program Length:** Completion of Year 1 University (remaining years to be completed at partner institution)

**Campus:** Six Nations

**Program Summary:** This first-year, community-based university program provides students with the opportunity to complete the first year of a Bachelor of Arts degree within the Six Nations community. The program facilitates obtaining five credited courses, on a full- or part-time basis, that are transferred into an undergraduate degree program offered within the partnered universities.

## **Educational Pathways:**

Students who meet the requirements of the Six Nations Polytechnic University Consortium Year 1 Program are eligible to transfer into second year studies at any of our partnering consortium universities, in order to achieve a Bachelor of Arts degree in their chosen field of study. In partnership with:

- Brock University
- McMaster University
- University of Guelph
- University of Waterloo
- Western University
- Wilfrid Laurier University

## **Admission Requirements:**

- Ontario Secondary School Diploma (OSSD) or equivalent
- Mature applicants considered on an individual basis.

**Tuition/Fees:** \$ 7584.00\*

*\*Based on 2018/2019 fee structure.  
Subject to change.*

## EARLY CHILDHOOD EDUCATION

(PROGRAM PARTNER: NIAGARA COLLEGE)

**Credential:** Ontario College Diploma

**Program Length:** 2 Years

**Program Summary:** If you want to make a difference in the future of our children and communities then becoming an Early Childhood Educator may be for you. You will have an opportunity to see the world through the eyes of a child and participate in a very hands on learning experience which includes at least 600 hours of field work experience. This is woven throughout the program to provide optimal learning opportunities. Upon completion of this program, you will meet the requirements for employment with school boards as part of the provincial government's full-day early learning programs.

### **Career Opportunities:**

Graduates will have diverse opportunities for employment including; Childcare centres/ Boards of education full-day early learning programs/Extended day programs for school-aged children/Family and Children's agencies/Community pre-school programs/Family resource programs/Ontario Early Years Centres/ Home childcare/Camps and hospital playrooms.

There is also the opportunity for advanced standing in domestic and international programs (ie. Bachelor of Early Childhood Education at Brock University, Bachelor of Education at Griffith University Australia).

### **Admission Requirements:**

- Ontario Secondary School Diploma (OSSD), or equivalent, including the following required courses:

- English - any Grade 12 (C) or (U), or equivalent.
- A Criminal Reference Check (CRC) with vulnerable sector screening is a requirement for field placements and will be required at the beginning of the program term 1. All costs associated with the CRC are the responsibility of the student.

### **Program Fees:**

\$4,594.98 Year 1 \*Based on 2018/19 fees, subject to change.

# INDIGENOUS WELLNESS & ADDICTIONS PREVENTION

(PROGRAM PARTNER: CANADORE COLLEGE)

**Credential:** Ontario College Diploma

**Program Length:** 2 years

**Campus:** Brantford

**Overview:** Gain the skills and knowledge you need for employment in a variety of addictions settings through practical, hands-on learning. The curriculum is based on the holistic teachings of the Medicine Wheel, with a focus on the root causes of addiction within Indigenous communities. You will learn both cultural and mainstream approaches to addictions counselling. Training ranges from pharmacology to traditional methods including Sacred Circles, Teaching/Learning Circles, and the use of the four sacred medicines – tobacco, cedar, sage and sweet grass.

## Your Future Career

- Alcohol and drug treatment units
- Family resource centres
- Young offender residential centres
- Substance abuse prevention counselling and treatment centres

## What You Learn

- Traditional healing, learning and teaching
- Cultural specific helping
- Challenges facing Native communities

# MENTAL HEALTH & DISABILITY MANAGEMENT

(PROGRAM PARTNER: MOHAWK COLLEGE)

**Credential:** Ontario College Graduate Certificate

**Length:** 1 year or less

**Campus:** Brantford

## Program Highlights

- First program in Ontario to focus on Mental Health and Disability Management
- Curriculum engages a variety of learning styles including visual, auditory and kinesthetic through lectures, field trips, hands-on training and guest speakers
- Small class sizes
- Learn about mental illness and disabilities from experts in the field who represent a multi-disciplinary team of clinicians, researchers, educators and therapists as well as those with lived experiences
- Complete a capstone project that allows students from the Mental Health and Disability Management and Brain Disorders Management Programs to work collaboratively, using problem-based learning
- Receive hands-on experience through a field placement that begins in May and involves a total of 336 hours

## Skills Gained

- Certificate builds on previous degree or diploma in the health or social sciences by providing a specialization in mental health and disability management
- Examine case studies exposing students to a variety of client-based scenarios
- Examine the impact of having a dual diagnosis on physical health, social functioning and employment or housing outcomes

**MOHAWK**

- Engage in simulation exercises to practice clinical interviewing skills, reflective listening skills, and awareness about mental health conditions
- Translate information using a variety of mediums including oral presentations, reports, case studies, infographics, and digital poster displays
- Learn how to apply intervention strategies including motivational interviewing, transition planning and mindfulness
- Receive hands-on training related to suicide prevention, case management, multi-sensory training, digital art therapy and de-escalation

### Admission Requirements:

- Minimum two-year college diploma or university degree. Preference will be given to applicants with a diploma or degree in Community Services or Health Sciences
- Applicants should note that some employment opportunities require that certain physical standards must be met as a condition of employment
- Attendance at program orientation is strongly recommended
- Proof of English proficiency for applicants where English is not their first language must be submitted to Ontario Colleges

**Tuition Fees:** \$9,529.51\*

\*Based on previous tuition fee structure. Subject to change.

## RPN TO BScN

(PROGRAM PARTNER: MOHAWK COLLEGE)

**Credential:** Registered Practical Nursing Diploma to a BScN Degree

**Program Length:** 3 Years

**Program Summary:** This program builds on the knowledge and skills acquired in the diploma Practical Nursing program. Students receive 30 units of advanced credit and enter at Level II. The 2 Level II 'nursing' courses are designed to assist students in transitioning to the baccalaureate program. Both streams are integrated for most courses. The curriculum is planned for 3 years of full-time study. Students are allowed six years after the first 'nursing' course to complete the program requirements.

### Career Opportunities

#### Industries of Employment:

- Staff Nurses in Hospitals, Nursing Homes, Visiting Nursing Agencies and Public Health Departments
- Care Managers for Community Care Access Centres
- Entrepreneurs Owning and Managing a Health Care or Nursing Care Business
- Researchers in Nursing Care, Nurse Education and Health Care
- Educators of Individuals, Families, Communities and Nursing Students

#### Occupational Categories:

- Registered Nurses

#### Admission Requirements:

- Applicants must provide evidence of registration with the College of Nurses of Ontario; newly graduated

applicants must have written the Practical Nurses Registration Examinations by May 31st of the year of application and all applicants must provide evidence of successful registration with the College of Nurses by August 15 of the same year.

- Submit proof of a diploma in Practical Nursing (two-year program) from an Ontario College of Applied Arts and Technology or equivalent, with a minimum overall average of 75% or higher

#### Program Fees:

Total 1st Year Fees - \$8,455.09\*

\*Based on 2018-2019 Domestic Tuition and Fees. Subject to change.

## PROGRAM OF STUDY

### Electives

Twenty one units of electives are to be selected from disciplines of the student's choice of which a minimum of 9 units are to be chosen from courses designated Level II or above. Health Science (HTHSCI) and Nursing (NURSING) courses that are required courses in any of the B.Sc.N. Program streams may not be used by students to satisfy their elective requirements. A maximum of nine units of electives may be selected from NURSING and/or HTHSCI elective course (i.e. those course that are not required for any of the Program streams). For some courses the amount of duplication of required content will preclude use for elective credit in the B.Sc.N. program.

**Advanced Credit:** 30 units

**Total Units: 120**

# SOCIAL SERVICE WORKER

(PROGRAM PARTNER: MOHAWK COLLEGE)

**Credential:** Ontario College Diploma

**Length:** 2 years

**Campus:** Brantford

## Program Highlights:

- Develop awareness of yourself, gain greater insight into who you are and experience personal growth
- Discover how Social Service Workers facilitate positive changes in the lives of others
- Learn how to focus on the relationships that people have with each other and the world around them as a way of helping others
- Experience supervised field placements selected for you by the Field Placement team based on your individual learning goals and supported by experienced faculty
- Learn about the core values of helping others such as the right to choose, the right to equality, justice and access to service
- Gain core helping skills such as interviewing, assessing the needs of others, working effectively with groups, and assisting communities to change
- Develop the ability to document, work within legal and ethical frameworks and understand the importance of respecting the uniqueness and dignity of all people
- Learn about anti-oppressive theory and practice as it relates to advocacy, case management, etc.

## Admission Requirements:

- OSSD or equivalent (Mohawk Academic Upgrading, GED) including:

- Grade 12 English, C or U or equivalent (70% guideline)
- Attendance at program orientation is strongly recommended
- Significant volunteer experience is recommended

- Applicants should note that some employment opportunities require that certain physical standards must be met as a condition of employment

**Tuition Fees:** \$4,456.92 Year 1

\*based on 2018/19 fee structure.

Subject to change

# MECHANICAL TECHNIQUES – WELDER FITTER

(PROGRAM PARTNER: CANADORE COLLEGE)

**Credential:** Ontario College Certificate

**Length:** 32 weeks

**Campus:** Brantford

**Overview:** Skilled welders are highly sought after and well paid. Learn the specialized skills of the trade on industry-standard machines in our 4,700 sq. ft. lab. You will learn multiple welding processes at one of the 33 individual welding stations, including shield metal arc welding (SMAW), Flux Cored Arc Welding (FCAW), gas metal arc and gas tungsten arc welding, FUSION welding, brazing, and cutting

techniques. Skills learned are highly transferable and versatile as welding is used in several trades, including electrical and automotive. Graduates will have completed all position welding training in preparation for the Canadian Welding Bureau Certification.

## What You Learn

- Welding theory and practice
- Layout and fitting
- Trade calculations
- Blueprint reading

## Admissions Requirements

OSSD or equivalent, ENG4C or ENG4U

**Tuition Fees:** \$3,726.49\*

\*Subject to change

## CURRICULUM

### Semester 1

WFP 015  
Blueprint Reading I

WFP 020  
Welding Theory I

WFP 025  
Practical Operations - Shop

WFP 030  
Trade Calculations I

WFP 036  
Layout and Fitting I

CMM 125  
College Communication I

PFN 100  
Personal Finance

### Semester 2

WFP 042  
Blueprint Reading II

WFP 047  
Welding Theory II

WFP 051  
Practical Operations II - Shop

WFP 057  
Trades Calculations II

WFP 061  
Layout and Fitting II

WFP 066  
Welding Metallurgy I

# TRADES FUNDAMENTALS

(PROGRAM PARTNER: CANADORE COLLEGE)

**Credential:** Ontario College Certificate

**Length:** 28 Weeks

**Campus:** Brantford

**Overview:** Build a solid foundation in the trades. Explore which trade is right for you while you gain the hands-on knowledge and skills required to continue your education in a Trades program or to start your future career in this diverse sector.

## What You Learn

- Motorcycle and Recreational Service
- Introduction to Plumbing, Electrical Techniques and Carpentry
- Welding Basics
- AutoCAD
- Machining Basics
- Vehicle Lube and Maintenance Techniques

## Admissions Requirements

19 years or older, or OSSD or equivalent, or GED

**Tuition Fees:** \$4,176.50\*

\*Subject to change

## CURRICULUM

### Semester 1

MTH 108  
Trades Calculations

MPM 012  
Motorcycle and Recreational Service

PLB 010  
Introduction to Plumbing

ELE 001  
Introduction to Electrical Techniques

CRP 010  
Introduction to Carpentry

### Semester 2

WLD 001  
Welding Basics

CAD 010  
Introduction to AutoCAD

PFN 100  
Personal Finance

MST 010  
Machining Basics

MPM 003  
Vehicle Lube and Maintenance Techniques

College Communications

## OTHER PROGRAMS/SERVICES:

### **ONTARIO COLLEGE OF TEACHERS: ADDITIONAL QUALIFICATIONS COURSES**

Six Nations Polytechnic is an approved Additional Qualification (AQ) provider. We offer special courses throughout the summer for teachers to obtain additional qualifications in subjects such as Environmental Education, Mathematics, Principal's Qualifications, Science and Technology, Teaching Cayuga and Teaching First Nations, Metis and

Inuit Children. Contact us for more information: 519-445-0023.

### **SNP STEAM ACADEMY (HIGH SCHOOL TO COLLEGE)**

The Six Nations Polytechnic STEAM Academy is the first STEAM (Science, Technology, Engineering, Arts and Mathematics) focused school in Canada that will build in both the regular Ontario Secondary School Diploma, as well as a two-year

“Computer Software Engineering Technician” college diploma. Although it is a private school, there is no tuition; At SNP, we want to ensure that our program is open and accessible to everyone regardless of their cultural or social background. For more information visit [snpsteam.com](http://snpsteam.com) or call 226-493-1234.

### **SKILLS UPGRADING: ACHIEVEMENT CENTRE**

The Six Nations Achievement Centre is a community-based agency that has provided service to the community of Six Nations for over 27 years. The Centre provides *free* instruction in basic math; English; computer and other digital technology skills to adults who need to increase their independence or academic skills for entry into higher levels of education and/or to obtain employment. For more information call 519-445-0023 or text 226-240-2554.

### **LEARNING RESOURCES AND RESEARCH: DEYOHAHÁ:GE: INDIGENOUS KNOWLEDGE CENTRE**

Deyohahá:ge:, or the Indigenous Knowledge Centre at Six Nations Polytechnic, is more than a comprehensive catalogued repository of Hodinohso:ni materials; it also provides students with a way to apply the knowledge they have learned in class as they find their own path and leave their own mark on the world.

In this way, Indigenous knowledge is “alive” because it is about being well, living well and having the kind of relationships that sustain life and make it all worthwhile. Deyohahá:ge: will work towards becoming the key resource for Indigenous Knowledge to inform, enhance and create sustainable and enduring cultural content in all programs and services directly through its Hodinohso:ni collections archives.

# Admission

## To apply to Six Nations Polytechnic University Programs

Applications to university programs accredited by Six Nations Polytechnic can be completed on our website by visiting [www.snpolytechnic.com/admissions/how-apply](http://www.snpolytechnic.com/admissions/how-apply).

To schedule a campus tour and get help with your application in person at Six Nations Polytechnic, call 519-445-0023.

### Submit your completed application, including:

- All original high school, college and university transcripts
- A copy of your status card (if applicable) or other photo identification
- Application fee

## To Apply to Six Nations Polytechnic College/Partner Programs

Applications to SNP College/Partner programs are processed through Ontario Colleges ([www.ontariocolleges.ca](http://www.ontariocolleges.ca)), a centralized, one-stop processing centre for all Ontario colleges.

### Application Deadlines

Please see the program chart on the last page of this book for individual program application dates. Note: the application portal will stay open past the deadline if the program is not full.

### Application Fees

University Programs: A \$30.00 new applicant processing fee applies.

College Programs: There is a \$95.00 Ontario College On-line Processing Fee (fee may be subject to change).

Applicants may contact SNP to inquire about financial support for Ontario College application fees by calling 519-445-0023.

### Locations

Check the Program Chart on page 32 for program location by campus.

## Six Nations Polytechnic's Other Programs and Courses

Visit our website, [www.snpolytechnic.com](http://www.snpolytechnic.com) to find out more about Six Nations Polytechnic's other programs and courses and how to apply.

# MONEY MATTERS

## Funding for Students

### **ONTARIO STUDENT ASSISTANCE PROGRAM (OSAP)**

Online application procedures and deadlines for applications are available on the OSAP website at <http://www.osap.gov.on.ca>. Online applications are available in the month of May.

### **POST-SECONDARY STUDENT SUPPORT PROGRAM**

If you are an eligible Status Indian or Inuit student, plan to pursue post-secondary studies on a part-time or full-time basis and are registered with an eligible post-secondary institution, you may qualify for financial support through the Post-Secondary Education Support Program. Contact your local band office, Inuit designated organization or Indigenous and Northern Affairs Canada (INAC) office to apply, or search online to find out more information.

### **Six Nations Band Members**

If you are a registered Six Nations member you can apply for post-secondary education assistance through the Grand River Post-Secondary Education Office (GRPSEO). Please inquire with GRPSEO about program eligibility.
