The World Indigenous Peoples Conference on Education (WIPCE) 2017 Host Committee is working to create as many avenues and opportunities possible for youth and Elders to attend the conference. By increasing the presence of youth and elders at the conference, WIPCE promotes positive exposure to Indigenous cultures in Canada at the global level. The global network of WIPCE is inclusive to education, training, and employment prospects.

Having a world conference designed and delivered by Indigenous organizations here in Ontario provides a unique opportunity to put a spotlight on Indigenous lifelong learning initiatives, issues, and culture.

Registration sponsorship is available for youth (ages 14-25), Elders, and two Fire Keepers who live in the Toronto area. Please note the Fire Keepers will be responsible for the Sacred Fire on Olympic Island as part of the Opening Ceremonies. This sponsorship opportunity is provided by Miziwe Biik to cover the full cost of registration.

All applicants for this sponsorship must reside in the Toronto area and must be registered with Miziwe Biik Aboriginal Employment and Training to be considered for the scholarship. These additional registration forms can be found on the WIPCE website: www.wipce2017.com
