

## SUPPLY TEACHER

**Date of Posting:** February 19, 2020

**Closing Date:** March 20, 2020

**Overview:**

At the SNP-STEAM ACADEMY, students earn a high school diploma, an industry-recognized college diploma, and gain relevant work experience in the technology field of study. The school creates a seamless program for students to acquire the academic, technical, and workplace skills and knowledge to achieve success. The Hodinohsó:ni values of Ganigo hi:yo:/Kanikoriiio are the foundation of our daily interactions and instruction.

We are currently looking for a dynamic, innovative and collaborative supply teacher to join our Academy. This position will commence September 2019, for the school year ending June 2020 (probationary period included).

The supply teacher will partner with administration, other teachers, parents, support staff and community partners to ensure the success of all students at our unique and dynamic school.

**Responsibilities:**

Working under the direction of the SN Polytechnic-STEAM Academy Principal, the duties of this position will include, but are not limited to the following:

- Instruct using a variety of teaching and learning strategies, in one or more subjects.
- Communicate clear objectives/goals and success criteria for lessons, units, and projects.
- Use strategies under triangulation of data (student observations, conversations and products) to evaluate student progress.
- Administer and grade tests/assignments.
- Be able to prepare materials and classrooms for class activities.
- Differentiate teaching methods, materials and assessments to meet the varying needs and interests of students.
- Maintain accurate and complete student records as required by law and administrative regulations.
- Supervision for the safety of all students.
- Use technology, hands-on activities and knowledge of Hodinohsó:ni' history, culture, values, contemporary issues, community priorities and stakeholders to enrich curriculum and instruction.
- Perform other duties as assigned by the Principal.
- Use progressive discipline strategies in the classroom, including conferences with families, teachers, counselors, and administrators to resolve students' behavioral and academic issues.

**Qualifications**

The successful applicant must have:

Education & Experience:

- Bachelor Degree
- Bachelor of Education degree
- Valid Ontario Teaching Certification (provide OCT number)
- Experience dealing directly with parents
- Experience and ability with a range of computer applications
- Experience working with a range of community organizations
- Demonstrated experience with Special Education process is considered an asset
- Experience working with Indigenous children in a school setting is considered an asset

**Knowledge, Skills and Abilities:**

- A general current knowledge of Hodinohsó:ni' history, culture, values, contemporary issues, community priorities and stakeholders
- A background in or knowledge of STEM/STEAM Pathways
- Knowledge of current research and best practices in instruction, assessment/evaluation and reporting student achievement (eg. Triangulation of data) as well as other educational areas (eg. Growth mindset)
- High level of communication skills – writing, speaking and listening
- Flexibility in learning new program areas or approaches
- Superior Instructional leadership skills
- Working knowledge of the Ontario Curriculum at the secondary school level
- Sound interpersonal skills and excellent professional judgement
- Ability to work both independently and in a team work setting demonstrating Hodinohsó:ni' values of G'anigqhi:yo:/Kanikoriiio
- The ability to use computer applications efficiently such as spreadsheets, word processor, Maplewood, Kurzweil, power point, etc.

**Criminal Record Check:**

The Teacher will be required to provide an original Criminal Background Check –Vulnerable Sector Screening that is satisfactory to the employer prior to the first day of work at SNP-STEAM Academy, and an Offence Declaration that is satisfactory to the EMPLOYER by August 31 of each year in which they are employed by Six Nations Polytechnic.

**Application Procedure:**

Applications will be accepted until the position is filled:

1. A **cover letter** outlining relevant experience and qualifications. Please reference areas identified within the contract posting (i.e. fields of demonstrated excellence).
2. A **curriculum vitae/resumé** outlining relevant experience, educational background
3. Names and contact information for **three (3) professional, community and/or academic references.**

**Above application materials can be emailed to the attention of:**
